

# Douglass Valley Elementary

Academic Excellence and Exemplary Character

Kelly Farmer, Principal

February 1, 2018

Adrienne Morey, Assistant Principal

Dear DVES Families,

It is hard to believe we are already in February!

Our classroom parties for Valentine's Day will be held on Wednesday, February 14<sup>th</sup> in the afternoon. Please watch for information from your classroom teacher about party specifics.

Our annual Douglass Valley Health Jam will be on Valentine's Day from 9:00 a.m. to 2:00 p.m. This day will be dedicated to learning and practicing healthy habits. Presenters from the Air Force Academy will be sharing about physical training and sharing exercises. Students will have the chance to learn about activities like Zumba and agility skills. Healthy eating habits will be taught by a dietician, and our students will have opportunities to learn about best practices around social and emotional skills and hygiene practices. Our staff is so excited to be collaborating with the United States Air Force Academy and so many other local businesses in our community. It truly does take a village to ensure our students the best possible learning opportunities and unique experiences to enhance their understanding. It will be a wonderfully exciting day, and we would love for you to come join us!

Finally, statements have been sent out for unpaid fees: school supply, consumable, library, and cafeteria. If payment cannot be made due to a financial hardship, please contact one of us, so we can work with you.

Have a great month and stay warm!

Your administrative team,  
Kelly Farmer and Adrienne Morey
